

PIENAAR ENERGY (PTY) LTD

15MWh Off-Grid Solar Container Replacement Solution

Overview

The Intech Energy Container — or ECON — is a modular, pre-configured off-grid power solution. It combines solar PV, battery storage, inverters, and energy management in a rugged container. Ideal for autonomous energy supply wherever grid access is unavailable or undesired. Our 1MW containerized Energy Storage System (ESS) is a turnkey solution engineered for commercial and industrial (C&I) clients seeking to optimize energy costs, enhance power reliability, and achieve sustainability targets. It is specifically designed to deliver a strong return on investment for a. NewGrid Power stands at the forefront of this revolution, offering tailored solar power systems that adapt to the diverse needs of every container project. Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. Solarcontainers have a tailored system with a mobile.
