

**PIENAAR ENERGY (PTY) LTD**

# **3 6 kw solar inverter factory in Zambia**

## Overview

---

This hybrid solar inverter can power all kinds of appliances in home or office, and can also be used in power stations. Features: ■ Multiple operation modes: Grid-tie, off grid with storage backup ■ IP65 water-proof and dust-proof ■ MPPT voltage range 120-500V ■ Support LCD. This is a flexible and intelligent energy storage solar inverter with a wide range of MPPT Voltage. Combining functions of off grid and on grid. -Intelligent BMS, providing complete protection -Support high discharge power -IP20 fan cooling, natural cooling, wide temperature range: -20°C to 60°C Ultra long life circle use. Support two load output working in. The iTel 3. 5% MPPT efficiency and 92% battery conversion efficiency. Featuring intelligent load recognition, 100A fast charging, and 10ms UPS switchover, it's ideal for home backup, off-grid systems, and. to use Monocrystalline solar panels on their installations intended to participate in the net- ican Grid Codes and may only be use in conjunction with approved NRS 097 ican Grid Codes and may only be used in conjunction with approved NRS 097-2-1 type tested inverters on this list. SAKO will provide you. Payflex lets you get what you need now, but pay for it over four interest-free instalments. You pay a larger amount upfront with the remainder spread across three payments over the following six weeks. This item is a recurring or deferred purchase.

## 3 6 kw solar inverter factory in Zambia

### Sunsynk 3.6kW 48V Single Phase Hybrid Inverter

Designed to work with any geyser, these kits feature a robust, frost-proof design, precise temperature control, and a modular, expandable system that can grow with your needs.
