

**PIENAAR ENERGY (PTY) LTD**

# **After-sales service for 40-foot energy storage containers**

## Overview

---

Our 40 ft storage containers all have detailed photos you can examine below; we typically have a variety of models available including one-trip, open-side, high-top, and more. If you have any questions, contact us and we'd be happy to select just the right container. The energy storage system is essentially a straightforward plug-and-play system which consists of a lithium LiFePO4 battery pack, a lithium solar charge controller, and an inverter for the voltage requested. Price for 1MWH Storage Bank is \$774,800 each plus freight shipping from China. To discuss. This model SES-1000/2000K- 40ft Container BESS is a large-scale energy storage solution housed in a standard 40-foot shipping container. The system can be used to store electrical energy for commercial, industrial, or grid-scale applications. It is a high-safety, high-reliability, and standardized air-cooling energy storage container. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an.
