

PIENAAR ENERGY (PTY) LTD

Albania Huijue solar Power Station Power Generation Price

Overview

Revenues generation at a high price for the power plant of Karavasta, and the indexation of selling prices to inflation have contributed to a 20% year-to-year surge in the company's energy sales to 75 million euros in the first quarter, Voltalia said in a quarterly report. The combined bids exceeded the available quota of 300 MW at an auction for CfD market premiums for photovoltaic projects in Albania. Still, the Ministry of Infrastructure and Energy awarded 283. 7 per MWh, against a starting level of EUR 59. [2] ^ . EUKI is a project financing instrument by the German Federal Ministry for Economic Affairs and Climate Action (BMWK). It is the overarching goal of the EUKI to foster. TIRANA, July 13 /ATA/ – Renewable companies “Solar park Gjoricë” sh. The proposed project will be located in the village of Savër, within the Lushnja region of western Albania, a.
