

**PIENAAR ENERGY (PTY) LTD**

# **BESS price of solar panels in Funafuti plant**

## Overview

---

Asian Development Bank (ADB) has commissioned a 500 kW solar rooftop project in Tuvalu's capital, Funafuti, along with a 2 MWh battery energy storage system (BESS). GB-Sol's roof integrated solar PV system enables full-sized, high efficiency solar panels to be discreetly fitted within any type of building in Funafuti, the capital of Tuvalu, currently depends heavily on imported fossil fuels for its electricity generation, rendering the energy supply both unreliable and expensive. Located between Hawaii and Australia, the 500 kW on-grid solar rooftop project and a 2 MWh battery energy storage system (BESS) installed by Tuvalu Electricity Corporation in the capital, Funafuti, were recently commissioned by the Philippines-headquartered Asian Development Bank (ADB). New Tuvalu inaugurated a 500Kw solar PV power plant on the atoll of Funafuti.

Overview Tuvalu's carbon footprint Tuvalu Energy Sector Development Project (ESDP) Commitment under the Majuro Declaration. ACOPOWER Lithium Battery Mono Solar Power Complete System with Battery and Inverter for RV Boat 12V Off Grid Kit Regular price \$ 1,988.
