

**PIENAAR ENERGY (PTY) LTD**

# **Bosnia and Herzegovina High Frequency Uninterruptible Power Supply Plant**

## Overview

---

Aiko and Tibra Pacific have signed a contract for the supply of 58 MW for the largest photovoltaic (PV) power plant in Bosnia and Herzegovina, marking the final delivery needed to complete the project. Bosnia and Herzegovina should transpose and implement the required elements of the EU ETS Directive, including the Monitoring and Reporting Regulation. Learn about the market conditions, opportunities, regulations, and business conditions in Bosnia and Herzegovina, prepared by U.S. Embassies worldwide by Commerce Department, State Department and other U.S. agencies' professionals. Electric power generation is a key sector of economic activity in Bosnia and Herzegovina. ENERGOINVEST SUE is an authorized distributor of Exide's batteries for their program in Bosnia and Herzegovina. It has sufficient lignite reserves to justify investing in modernizing its coal-fired plants. Using its reservoir-based hydro as backup, it can install about 2 GW of wind turbines. How does 6Wresearch market report help businesses in making strategic decisions?

6Wresearch actively monitors the Bosnia and Herzegovina Automotive Uninterruptible Power Supply (UPS) Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue.
