

PIENAAR ENERGY (PTY) LTD

Cameroon original solar air conditioner

Overview

Dinabreeze integrates one 10,000 mAh rechargeable battery and connects to a portable solar panel allowing hours of completely off-grid use. No electrical outlet is needed: the sun is enough, a little water and he will do the rest. Our On-Grid Solar Air Conditioner introduces a paradigm shift in cooling technology. This. There are those who, upon the arrival of the summer, rely on the classic fan, those who turn on the air conditioner at full power and those who seek more solutions ethical, reading and low environmental impact. And then there is Dinabreeze a small portable revolution that seems to be born for those. Discover FadSol 2pcs 12000BTU solar air conditioner, perfect for Cameroon. Energy-efficient and eco-friendly cooling solution tailored for hot climates. Copyright © 2024 Haining Fadi Solar Energy Co.
