

## PIENAAR ENERGY (PTY) LTD

# Colored steel tile photovoltaic bracket source manufacturer

## Overview

---

Detailed profile including pictures, certification details and manufacturer PDF. Detailed profile including pictures, certification details and manufacturer PDF. Solar PV bracket is a special bracket designed for placing, installing and fixing solar panels in solar PV system. The general materials are aluminum alloy, carbon steel and stainless steel. The rail has good component compatibility and convenient installation, saving installation time and cost for. Beijing Yijia International Trading Co., as a wholly-owned subsidiary of Hebei Aoqiang Metal Products Group, was established in 2023 with a registered capital of 10 million yuan, focusing on global trade services for new energy metal products. Company headquarters is located in the famous "hometown of stainless steel" Taizhou, Jiangsu. Chinese Standard Steel manufacturers, Steel brackets, supplier of photovoltaic brackets and aluminum profiles. It mainly produces ping roof (tile roof) bracket and flat roof bracket. Color steel plate roof bracket mainly consists of color steel roof jig products more cost-effective.
