

PIENAAR ENERGY (PTY) LTD

Container generator power detection

Overview

The Centum Force containerized solutions will respond to the power needs of a critical power segments across the 50Hz range including data centers, hospitals, manufacturing plants, temporary power, rental applications and more. The larger footprint of these units allows for more versatility from a manufacturing specification standpoint — we can easily equip your gen set with greater levels of sound. That is why earlier this month, Cummins Power Generation expanded the release of their fully integrated containerized generator sets Centum™ Force, to serve 50Hz markets around the world. Originally launched for limited markets in 2021, the 40-ft containerized generator sets were engineered for. It is a flexible power solution for loads that exceed the output capability of a single generator set. 5MW for Diesel, LPG, CHP, and NG Gas applications. No matter your region's emission standards, we have the PowerLINE Generator Set to meet your compliance needs. With. ELCOS offers the possibility of installing power generators inside CONTAINERS Iso Range 20/20HC' - 30/30HC' - 40/40 HC' according to the customer's requirements. All the CONTAINERS can be silenced up to 50 dB (A) @ 7m.
