

PIENAAR ENERGY (PTY) LTD

Corrosion-resistant data center battery cabinets for factories

Overview

Designed to exceed IFC24 fire-containment standards, it enables secure storage of bulk, damaged, or prototype batteries without the need for a separate fire-rated room. Lightweight, mobile, and field-repairable, the cabinet combines long-term durability with sustainable. From concept and design to fabrication and assembly, Bull Metal Products manufactures custom battery enclosures, lithium battery boxes, and battery cabinets with the highest quality and safety standards. Our capabilities include: laser cutting, CNC forming, precision welding, powder coating, screen. Alpine Power Systems engineers and builds customized battery cabinets and enclosures for critical power applications, for utility, telecom, CATV, data center and other applications. Our cabinets and enclosures can be furnished with batteries, racking, chargers, DC distribution panels, and more. Purpose-built for critical backup and AI compute loads, they provide 10–15 years of reliable performance in a smaller footprint than VRLA batteries. The BC43 Top Terminal Battery Cabinet is primarily used to support large IT rooms, large networks, mid-size data centers, utility systems, healthcare facilities, and industrial.

Corrosion-resistant data center battery cabinets for factories

Uninterruptible Power Supply (UPS) Backup Battery Cabinets , Arimon

Arimon battery cabinets are designed to accommodate battery monitoring solutions from a variety of manufacturers or work with our engineering team to customize a solution specifically for your needs.

BC43 Battery Cabinet

This NEMA I rated battery cabinet is constructed of welded, heavy-gauge steel and is available in multiple colors of durable and corrosion-resistant, powder coat finish. Battery cabinet systems come ...

[Get Price](#)

Battery Cabinets & Enclosures

Exponential Power's Battery Cabinets & Enclosures provide durable, secure solutions for telecommunications and industrial applications. Designed to protect battery systems, these cabinets ...

[Get Price](#)

Battery Rack Fabrication , Custom Welded Racks for ESS, EV

We fabricate structural frames and enclosures for lithium-ion, lead-acid, and solid-state battery applications across the energy, transportation, telecom, and industrial sectors.
