

PIENAAR ENERGY (PTY) LTD

DC battery cabinet age

Overview

Installed with sealed battery technology, you can expect up to 20 years of reliability at 77 degree ambient room temperature (10 years at 95 degrees). This system can permanently replace larger wet cell options or be used as a mobile temporary power source. Power Storage Solutions partners with AIB Kunstmann, leveraging their 35+ years of expertise in stationary battery deployment and maintenance. We're proud to deliver their industry-leading solutions to our customers. ENVIROGUARD offers premium battery safety solutions, spill containment, safety. SBS designs and builds custom DC enclosures for battery systems and/or chargers. Designed for indoor use, this system will save space, improve safety, and reduce maintenance costs. ATESS's high-quality, efficient and sustainable DC.
