Overview

Dushanbe Glass Plant is one of the most significant industrial glass producers in Tajikistan. Established in 2008 as part of a government initiative to strengthen local manufacturing, the plant produces glass containers and flat glass for both industrial and consumer applications. TajGlass Industries is one of Tajikistan's leading glassware manufacturers, established in 2010 in Dushanbe. TajGlass. A semi-transparent glass allows light to pass through while obscuring clear visibility, offering a balance between natural illumination and visual privacy. This makes it an ideal choice for both residential and commercial spaces where openness and discretion are equally important. Photovoltaic (PV) glass, a critical component for solar panels, is gaining traction as the country aims to reduce reliance on traditional energy sources. With CE certification, you. We found. Suppliers who can match your search. Haven't found the right supplier yet ?
