

**PIENAAR ENERGY (PTY) LTD**

# **Energy storage inverter home system**

## Overview

---

An integrated home energy storage system consolidates these core functions into a single coordinated unit. SigenStor is an AI-optimized 5-in-one energy storage system that brings your solar dream to reality, helping you achieve energy independence with maximum efficiency, savings, flexibility and resilience. Integrating Solar Inverter, EV DC Charger, Battery PCS, Battery Pack, and EMS. Home energy storage refers to a system that captures electrical energy, stores it in batteries, and releases it when needed to support household or small-scale power consumption. Store excess solar energy to use anytime—at night, during peak rates, or when the.
