

PIENAAR ENERGY (PTY) LTD

Georgia Hybrid Energy Storage Project

Overview

Georgia Power announced today that construction is underway on 765-megawatts (MW) of new battery energy storage systems (BESS) strategically located across Georgia in Bibb, Lowndes, Floyd and Cherokee counties. The BESS projects were authorized by the Georgia Public Service Commission (PSC) through. Hickory Park Solar project, a 200MW PV power plant in the US state of Georgia, will be equipped with a battery energy storage system that allows the local utility company to maximise the benefit of the renewable resource. Photo by Anna Vasileva Located in Twiggs County, southeast of Macon, the company-owned facility is.
