Havana peak shaving

Overview

Havana is a slick and creamy, tallow based traditional wet shaving soap. The tropical cologne scent is comprised of Tobacco and Bergamot, with middle notes of Vetiver, Spice, Musk, Vanilla, and Teakwood. Really is a nice shaving cream, goes on good with shaving brush and gives an excellent shave!! Best shave cream I've used in 50 years! Love the Havana scent. I tried this for the first time with this purchase. Perfect for relaxed summer days or late nights out, Havana is a complex blend that will surely become a staple in any man's shave. The best natural shave cream on the market. The Miracle-Working Shea Butter rich formula keeps skin smooth and supple. Full of highly effective natural and organic soothers, moisturizer, and anti-oxidants -- aloe, sunflower and sweet almond oil, white and green teas, lavender and comfrey - skin. Experience the essence of nature with Havana Shaving Soap. Crafted with a blend of natural ingredients including Castor Oil, Coconut Oil, and Almond Oil, and more, this soap offers a refreshing scent and a smooth shave. The formula also contains orange oil, wheat protein, coffee & pineapple extracts and Vitamin E, which are rich in alpha hydroxy acids known to.
