

PIENAAR ENERGY (PTY) LTD

**High-quality energy storage
solar energy storage cabinet
lithium battery factory**

Overview

Guangdong ASGOFT New Energy Co., Ltd is a professional manufacturer for designing, manufacturing, and selling lithium iron phosphate batteries, and energy storage battery packs, committing to providing high-quality products and services for lithium-ion battery energy storage. Our advanced solar storage system technology supports various applications. Wenergy is a global energy storage provider with vertically integrated capabilities—from core materials to advanced energy storage systems. The BMS system is developed by our own Engineers Team, Can matching more than 20 brands of inverters, Compared with most of other suppliers, we only focus on making good products with. At CooliBattery, we specialize in manufacturing and supplying high-performance LiFePO4 home energy storage systems designed for solar applications, off-grid living, and residential backup. As a trusted solar battery energy storage.

High-quality energy storage solar energy storage cabinet lithium ba

48V 100Ah

One-Stop Energy Storage Solution Provider , Wenergy

As an established energy storage system company, we specialize in battery energy storage solutions, drawing on over 15 years of hands-on experience in battery and system manufacturing.
