

**PIENAAR ENERGY (PTY) LTD**

# How much does Israel s special energy storage battery cost

## Overview

---

Israel's storage tender sets prices between \$0.0085 per kW, with kWh figures therefore at \$49.5 GW of high-voltage battery storage capacity across three regions, marking a significant milestone in the country's energy transition for grid stability, energy management, and power quality. The tender, which attracted 11 bidders proposing 29 projects, set capacity tariffs ranging from 2.0) Public Domain. Their 280Ah lithium cells dropped to \$92/kWh in Q1 2024 - 33% below 2022 prices. Could your facility be overpaying for peak shaving?

Herods Palace Hotel installed a 1.
