# India s large-scale energy storage solar container lithium battery

## Overview

---

NEW DELHI | 8 May, 2025 — The GEAPP Leadership Council (GLC) today officially announced the launch of India's first utility-scale, standalone Battery Energy Storage System (BESS) project, the largest of its kind in South Asia. Slated for commissioning by March, the project will be India's largest and among the world's biggest single-location BESS deployments, involving more than 700 BESS containers. This is the first project led by the BESS Consortium, a. AHMEDABAD, India, Nov.
