

PIENAAR ENERGY (PTY) LTD

Is Gambia an agent for outdoor power supplies

Overview

Limited is a home grown indigenous company that was established in 1977 and has its origins in electrical consultancy, installation engineering, sales and services. The Gambia Electrical Co. There are over 220,000 individual electricity customers (public and private) in the country, and the number could significantly increase with the government's stated goal of achieving universal access by 2025. Services have historically been primarily concentrated in the GBA, though there are. The power supply market in Gambia plays a crucial role in meeting the energy demands of the country's growing industrial and residential sectors. With a rising population and expanding infrastructure, the need for a stable and sustainable power supply is becoming more pressing. That's nearly 20% higher than comparable systems in Europe.
