

PIENAAR ENERGY (PTY) LTD

Kathmandu EK solar container lithium battery pack manufacturer

Overview

Extrakku Battery Company Limited (EK Battery Brand) was established as a manufacturer and exporter of VRLA battery since 2003. Established in 2012, Asian Batteries is a trusted name in modern power solutions. Headquartered in Kathmandu, we combine global knowledge from Korea, China, Japan, and India with state-of-the-art facilities to develop high-performance batteries for industrial, commercial, and residential use. We'll cover industry trends, key applications, and what to look for when choosing a reliable supplier. Discover how lithium-ion technology supports renewable energy. We offer energy storage solutions, including battery modules, portable power supplies, and systems for residential, commercial, industrial, and utility-scale applications. The vision is to fill the gap in demand of lead acid batteries in Nepali market by manufacturing. Applications: Suitable for small network devices, telecom, and satellite equipment. 19" rack backup. Power your home or business through outages with our complete 48V 200Ah LiFePO4 battery + 6KW hybrid inverter + 100A MPPT charger. We use the latest cutting edge technology to bring you battery packs that are smart which allows you to forget about the batteries and.
