

## PIENAAR ENERGY (PTY) LTD

# Large amount of photovoltaic brackets unloaded

## Overview

---

Let's face it – photovoltaic bracket loading and unloading might not sound like the most thrilling part of solar farm development. But here's the kicker: nearly 23% of solar installation delays stem from improper material handling, according to Solar Energy Industries Association. To ensure the safety of loading, unloading, unpacking and storage of PV modules, please read this manual carefully. Whether. If your modules are damaged on arrival, notify the driver immediately, notify carrier and LONGi staff within 24 hours of delivery, and provide a record with detailed information within 48 hours of delivery. See claims and warranties for full details. Always insert the fork from the short side of. This manual is for DMEGC solar PV module unloading instructions.
