

PIENAAR ENERGY (PTY) LTD

Liberia solar panel manufacturer BESS

Overview

In Liberia, Release has entered into a 15-year lease agreement with the state-owned Liberia Electricity Corporation (LEC) for the development of a 24 MW solar plant combined with a 10 MWh battery energy storage system (BESS) in Duazon, near Monrovia. Firms with expertise in energy transactions are now invited to submit. The Government of Liberia has tendered the services of consultants to develop and implement the country's first solar and battery storage auction. The deadline for expressions of interest is Feb. “These agreements mark a significant step in strengthening our renewable energy presence and delivering flexible, modular.
