

PIENAAR ENERGY (PTY) LTD

New Energy Solar Bracket Processing Factory

Overview

UI Newenergy processing factory focusing on aluminum and steel structure for solar mounting systems. It's mainly engaged in production and processing, specializing in the processing of solar hardware and installation kits, photovoltaic accessories. Jiangsu GoodSun New Energy Co. is a comprehensive manufacturer of photovoltaic bracket and solar module frames, integrating technical consulting, design, manufacturing, processing, sales, installation, and maintenance. is located in the beautiful coastal city of Xiamen, China. In the near future, we will introduce some new production equipment to improve work efficiency and bring the quality of the brackets to a higher level. Get the. Solar Panel Mounting use solar cells to absorb the sun's rays and convert that energy into electricity. The system allows homes to generate electricity in a clean, reliable, and calm way, thereby recouping some of their future electricity costs and reducing their reliance on the grid.
