

PIENAAR ENERGY (PTY) LTD

No-clamp photovoltaic bracket manufacturers

Features and applications
17 years of experience

100% satisfaction

Overview

Our wide variety of roof attachments and roof mounts for solar panels, as well as our roof flashings, and interchangeable compression brackets, provide installers maximum versatility for quick, easy solar installations. Tamarack Solar Products manufactures innovative solar module mounting structures that are designed to install quickly and provide a secure mounting to a pole, the ground, or on a roof or wall. Economical, attractive, easy to install, and sporting built-in wire management. See if you qualify for tax credits with 40-45% Domestic Content. Create a free account. EcoFasten offers rail-based & rail-less solar panel mounts and solar racking systems for a variety of roof types including composition shingle, tile, concrete, and metal. Each of our systems is patented and conforms to UL 2703.
