

PIENAAR ENERGY (PTY) LTD

Nordic portable power bank manufacturer

Overview

We develop battery modules, racks and energy storage systems designed to power industrial applications across challenging sectors, including construction, maritime, defence, and grid systems. At Nordic Batteries we focus on what is important: safety, reliability and performance. Love it, or return it - no strings attached. Sleep soundly, knowing that your comfort is. Here you find all our power banks that are suitable for all electronic devices that charges through USB. Power banks are a kind of external battery that you can charge your mobile devices such as smart phones, tablets, cameras etc. Whether your next shoot is in deep woods, high atop a mountain or at an outdoor video shoot, portable power stations might. This guide compiles a list of 10 worldwide manufacturers who employ the use of high technology and skilled expertise to produce superior-quality power banks. The listed manufacturers do not hold back on their customer service and are dedicated to providing clients with a satisfactory experience. Anker Official website:
