

PIENAAR ENERGY (PTY) LTD

Off-grid bess cabinet 25kW

Overview

Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications. Explore reliable, and IEC-compliant energy storage systems designed for renewable integration, peak shaving, and backup power. What Is a BESS Cabinet?

A BESS cabinet is an industrial enclosure that integrates battery energy storage and safety systems, and in many cases includes power conversion and control. Pilot Integrated ESS is highly combined with LFP battery system, BMS, PCS, EMS, liquid cooling system, fire protection system, power distribution and other equipment inside the cabinet. All-in-One battery and hybrid inverter. Talk with an Expert Smart storage. Secure energy resilience for your own organization while stabilizing the grid for everyone.
