

PIENAAR ENERGY (PTY) LTD

Oman enterprise solar container energy storage system construction

Overview

A consortium led by Masdar has signed an agreement with Nama Power and Water Procurement to build Oman's first utility-scale solar and battery energy storage facility. The group—comprising Masdar, Al Khadra Partners, Korea Midland Power Co. Ltd, and OQ Alternative Energy—will develop. The project will be located alongside the existing 500 MW Ibri II solar project, which was inaugurated in January 2022, and will contribute an additional 4% of renewable energy in the country's electricity generation mix.
