

Outdoor telecom cabinet smart installment payment

System Topology

Overview

Integrating billing with pay-per-use metering in shared telecom cabinets transforms cost management for telecom operators and infrastructure providers. Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Westell is a collaborative partner in OSP deployment optimization providing customized, fully integrated, vendor neutral outdoor network equipment enclosures. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management. Constructed to provide superior protection in all environments, ABS cabinet solutions offer maximum flexibility for customizable turn-key options that future proof growing networks. IP Rating (Ingress Protection): AZE's enclosures boast high.
