# **Philippines Electric New Energy Storage Application**

## Overview

---

Nearly 5 GWh of new battery energy storage systems (BESS) will be deployed through hybrid solar-plus-storage projects, signaling the emergence of storage as a core component of the nation's energy strategy. A Flexible and Distributed Power System: Storage, Grids and Interconnection Asian Development Bank Auditorium Hall 2 6 June 2025 2 OUTLINE 1. About the Department of Energy 2. MANILA, Philippines — Voting 192-3-0, the House of Representatives yesterday approved on third and final reading a bill that would ensure. The Philippines House of Representatives has passed a national framework for energy storage systems.
