

PIENAAR ENERGY (PTY) LTD

Photovoltaic bracket U-shaped pressure plate manufacturer

Overview

Our premium range includes solar brackets, anti-seismic supports, C/Z/U steel & custom parts, trusted for national key, municipal and livelihood projects. Sold nationwide, exported to Southeast Asia, Europe, America & beyond. Where is your company located?

. Tianjin Guitai New Energy Technology Co. was established in 2014 and is located in Yangjiayuan Development Zone, Jinghai District, Tianjin. Since its inception, it has been committed to "empowering the world with sunshine and letting green illuminate the future". The company not only has a. Established in 2018, it is a rapidly developing photovoltaic component manufacturing enterprise in North of China, the factory area is over 12000 square meters, with a mature production team, advanced production equipment, and comprehensive after-sales service, have achieved the success of the. 4. Rooted in Yongnian - China's fastener hub with seamless logistics, we are a North China-leading high-tech manufacturer, specializing in fasteners (5,000 tons/year). Company Introduction: Taizhou Suneast New Energy Technology Co. Company headquarters is located. It can be used in extremely bad installation condition. The photovoltaic bracket waterproof pressure plate is an important component of the solar photovoltaic system, mainly used to improve the waterproof performance and stability of the photovoltaic system.
