

PIENAAR ENERGY (PTY) LTD

Photovoltaic bracket universal clamp manufacturer

Overview

We have become a highly competitive supplier of high-quality photovoltaic brackets and a trusted partner for customers at home and abroad. Our products are widely sold in more than 100 countries and regions, including Japan, South Korea, Southeast Asia, Europe and America. S-5! offers a variety of engineered solutions for mounting solar PV and balance of system components on both standing seam and exposed-fastened metal roofing. Economical, attractive, easy to install, and sporting built-in wire management. Our ground screw solar mounts provide a durable foundation for various applications, ensuring long-term reliability. We. Adjustable end clamp solar panel mounting structure is adjustable universal for 30mm-50mm thickness solar modules. Designed to secure panels without inducing microcracks, these clamps feature dual-pressure zones: a rigid aluminum core for structural grip, paired with EPDM-lined contact.
