

PIENAAR ENERGY (PTY) LTD

Photovoltaic dedicated inverter INVT

Overview

INVT solar inverter has a unique product technology advantage in product stability, power efficient transformation, low harmonic current harmonics and grid security access, which can be widely used in BAPV (home roof, office roof, factory roof), and BIPV. Building integrated), commercial power. INVT Solar is a professional solar inverters manufacturer and national high-tech enterprise. Founded in 2015, it is a wholly-owned subsidiary of INVT. [Download Data Sheet](#) [Click here to view INVT Reactors](#) ! [Click here to view INVT Sinewave Filters](#) ! . POWERMAG is the authorized sales and service for INVT AC Drives, Elevator Control System, Motion Controller, PLC & HMI, Servo System & Solar Pumps. INVT GD100-PV series solar vfd drives are that INVT newly launches specially for solar pumping applications. Standard protection formations, PV overvoltage protection. According to the characteristics of various industries, INVT dedicated drive has designed specific structure and function to provide safe, stable, and flexible products and solutions with reliable protection for compressor, photovoltaic pump, building operation, ports, mines, warm air-conditioning.

Photovoltaic dedicated inverter INVT

SP100 Series Solar Pump Inverter

After years of deep cultivation and exploration in the solar water pump industry, INVT has carefully developed a new solar water pump inverter: SP100 series. SP100 has comprehensively upgraded ...
