

PIENAAR ENERGY (PTY) LTD

Photovoltaic inverter professional maintenance company

Overview

We specialize in providing professional solar repair services to get your solar system back to full power quickly and efficiently. Solar inverters play a crucial role in converting sunlight into usable electricity, maximizing energy production, and reducing electricity costs. Paragon Solar specializes in servicing, maintaining, and repairing all types of inverters, from the older topologies to today's more advanced systems. Whether you need diagnostic work, orphan system support, removal and reinstallation, panel cleaning, pest abatement, inspection and check-up, or equipment. If you're experiencing issues with your solar inverter, you've come to the right place.
