The advertisement features a light green background with the text 'Lower cost larger system' at the top. Below this, there are two dark grey rounded rectangles containing the text '20kwh' and '30kwh' respectively. Underneath these rectangles is a row of five yellow stars. To the right of the text is a photograph of three white, rectangular solar power units stacked on top of each other. Each unit has a small digital display and a control panel on its front face. The units are mounted on a black metal frame with four casters for mobility.
