

PIENAAR ENERGY (PTY) LTD

Price List for 120kWh Data Center Battery Cabinet

Overview

Delong 120kWh energy storage cabinet is equipped with a battery, inverter, high-voltage box, air conditioner, and fire protection system. The complete all-in-one design provides you with ultimate safety and convenience. The 120kWh battery uses the Vertiv™ EnergyCore Li5 and Li7 battery systems, delivering high-density, lithium-ion energy storage designed for modern data centers. Purpose-built for critical backup and AI compute loads, they provide 10–15 years of reliable performance in a smaller footprint than VRLA batteries. It supports energy needs from 20kWh up to 120kWh. Versatile. Limited or No Grid Access: Many remote communities rely on expensive and polluting diesel generators. High Electricity Costs: Diesel fuel costs, transportation, and maintenance lead to high electricity prices. Grid Independence and Reliability: By providing backup energy, BESS can prevent losses.

Price List for 120kWh Data Center Battery Cabinet

120 kWh Battery Pack with Inverter For Solar, Comercial

Delong 120kWh energy storage cabinet is equipped with a battery, inverter, high-voltage box, air conditioner, and fire protection system. The complete all-in-one design provides you with ultimate ...
