GRADE A BATTERY

LiFePO4 battery will not burn when overcharged or over discharged, overcurrent or short circuit and can withstand high temperatures without decomposition.

SunRail(TM) Inverter Rack , Flat Roof (C) , Opsun Systems

Our designers can add the inverters directly on the Opsun PV racking rails, for reduced project costs, and compliance with module-level disconnect, in most states.

ICC Clarifies Guard Requirements for Rooftop Solar Installations

The ICC explains that fixed PV arrays and BIPVs function much like roof coverings. When these systems fail, they are replaced in their entirety rather than repaired in place.
