

PIENAAR ENERGY (PTY) LTD

Samoa solar Panel Installation Manufacturer

Overview

Greenpower Samoa is a leading renewable energy company in the South Pacific, dedicated to advancing sustainable energy solutions. We specialize in the investment, development, and construction of solar photovoltaic (PV) power stations for residential, commercial, and large-scale applications. Samoa, like many island nations, has long faced challenges related to energy security, with high dependence on fossil fuels. MPower was awarded a contract to deliver a fully operational 5.0MW solar power station across two sites in Samoa. The first site at Faleolo International airport has a 3MWp solar PV ground mount system. Residential solar panels are designed to capture sunlight and convert it into electrical energy that can be used to power household appliances such as lights, air conditioners, refrigerators, washers/dryers, water heaters and other home electronics. Brilliant Contractors Has Solar Installation Experts For Solar Panel Installation, Solar Water Heater Installation, Solar Inverter Installation As We Have The Best.
