

PIENAAR ENERGY (PTY) LTD

Saudi Arabia Communication Power Supply Cabinet

Overview

Our climate controlled storage cabinets deliver stable temperature and humidity, so rubber, polymer, and composite materials age slower, inspections pass more often, and field crews stay ready. It also provides additional protection by means of side and rear telecommunications equipment that cannot be direct equipment and any necessary ancillary systems pre-installed in the rack or cabinet. The On-line customization software for Panel Set enclosures New Special. conf is designed for convenient, error-free, and time-saving procurement. Monitor up to 48. It is a major player in Saudi Arabia Market with more than 100,000 cabinets installed all over the kingdom.
