# **Smart off-grid solar energy storage cabinetized tourist attractions in togo**

## Overview

---

Construction of a utility-scale solar-plus-storage project is now underway in northern Togo. The 25 MW Dapong solar project will include 36,000 solar panels across 52 hectares, along with 36 MWh of battery energy storage. An installation ceremony for the project took place last week Image: Togo's. In rural areas with limited or no access to the main electricity grid, off-grid renewable energy solutions are transforming lives and communities in Togo. The Sheikh Mohamed Bin Zayed Solar PV Plant in Togo.
