Overview

EK SOLAR's latest NanoShield coating technology combines aluminum's lightness with steel-grade protection, cutting maintenance costs by 40% in accelerated aging tests. Aluminum alloys currently offer the best balance for most applications, while composites gain ground in corrosive environments. KDM is your professional solar battery enclosure manufacturer in China. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. Driven by the goal of "environmental protection", photovoltaic energy storage containers have become the core unit of the new energy system, shouldering the dual missions of photovoltaic power generation storage and power dispatching. The company specializes in residential, commercial and utility applications and delivers pre-eminent products and fit-for-purpose solutions. Battery enclosures/cabinets that provide storage, security and reliable, warrantied long term sustainability.
