

PIENAAR ENERGY (PTY) LTD

Solar battery cabinet 140 watt price

Overview

The best-selling Zamp Solar 140-Watt Portable Kit is packed with thoughtful features to make your off-grid venture hassle-free. Ideal for medium RVs or projects, this panel generates 140 watts at 7. This highly reliable, durable, and rugged two-battery system is designed to require minimal maintenance with a 20 year design life (with battery replacements approximately every five to seven years). Our systems are assembled and tested following strict QA/QC procedures, and are designed to IEEE. 836. The weather-resistant. Our SPK Series off-grid kits are an affordable and reliable solar power solution for general solar power applications. The 140W SPK includes everything but the pole. If you want a rack-mounted system, we also support that. Price: Click The Button Below To Get A Discount Price.
