

PIENAAR ENERGY (PTY) LTD

Solar energy storage cabinet 2mwh service quality

Overview

With robust construction and high-quality materials, these cabinets secure critical components in renewable energy installations and backup power applications. Polinovel utility scale energy storage battery system incorporates top-grade LiFePO4 battery cells with long life, good consistency and superior charging and discharging performance. According to the requirement of customers, Huawei recommends the receiving the faulty parts. PVMARS provides a complete turnkey photovoltaic energy storage system solution. After we complete production, the system delivered to. SunEvo & SunArk outdoor cabinet BESS features different operating modes, suitable for various working scenarios.
