Solar inverter ask secretary

Overview

In a letter sent Friday to Commerce Secretary Howard Lutnick, members of the Republican Study Committee — led by Chair August Pfluger (R-Texas) — said Chinese-manufactured solar and battery inverters present “unacceptable” public safety, economic and national security vulnerabilities. 14, more than 50 House Republicans in the conservative caucus sent a letter to Dept. The Republicans expressed concern stemming from a May 2025 Reuters report that found rogue communication. A group of House Republicans says a broader import ban on Chinese-made inverters is needed to protect critical US grid assets amid mounting security concerns. Senators Angus King (I-Maine) and Susan Collins (R-Maine) today joined a bipartisan group of their colleagues to send a letter to the Secretary of Energy, Rick Perry, and the Secretary of Homeland Security, Kirstjen Nielsen, urging them to protect our electrical systems and. U. Power inverters, which are predominantly.
