Solar power mobile toilet rental

Overview

Hire solar toilets for remote sites. Loaded with extras, National Construction Rentals' Solar Restrooms are in a class all by themselves. Affordable and dependable, this solar-powered restroom trailer features. Solar toilet hire provides clean, quiet and fully off-grid toilets with hot water, lighting and ventilation for construction, logistics, commercial sites and backstage event areas. This guide explains how solar toilets work, what they cost, and when to choose single solar cabins or multi-cubicle. United Rentals has a large inventory of portable restrooms and sanitation equipment for rent that are the perfect solution for outdoor events, industrial jobsites, construction projects or other temporary locations. Hot water is supplied by an efficient LPG gas boiler, pumps and lighting powered by roof mounted solar panels. No need for power or water hook ups or waste connections.
