

PIENAAR ENERGY (PTY) LTD

Solar support profile manufacturer quotation

Overview

As one of the most professional omega profile solar panel support frame manufacturers and suppliers in China, we're featured by quality products and low price. Our steel frame is made by cold formed light gauge steel construction profiles. Furthermore we can manufacture according to customer wishes. If you have any ready design for your need please feel free to share it. Our solutions include steel profiles, specialized system profiles, and rails, all tailor-made to ensure reliability, precision, and long-lasting performance. Their flexible cross-section designs can be customized for different. Weight-optimized supporting profiles without expansion joints, large spans even for high loads, lower cost design, production and assembly, weather-resistant material or a combination of all of these - we have both the technical expertise and production capabilities to convert your requirements. Aluminum profiles play a pivotal role in the construction of solar panel structures, serving as the backbone for support and durability.

Solar support profile manufacturer quotation

PV , Solar mounting system profiles , Welser Profile

Our custom steel profiles are proven in the utility scale photovoltaic industry as well as in solar thermal power plants; used as support or frame profiles, posts, rafters, module carriers and much more.
