

PIENAAR ENERGY (PTY) LTD

Somalia needs energy storage project company

Overview

Somalia is looking for bids to build a new energy park. The project will use 55 MW of solar power and 160 MWh of battery storage. (Photo Credit: Beco) The Ministry of Energy and Water Resources in Somalia has invited eligible bidders to build a hybrid 55 MW AC. A procurement exercise is open for the design, supply, and installation of 10 MW of solar and 20 MWh of battery energy storage in northeastern Somalia. Discover technical solutions, economic benefits, and partnership models driving this green revolution.
