

PIENAAR ENERGY (PTY) LTD

Swedish RV solar system manufacturer

Overview

Since September 2016 owned by Renewable Sun Energy Sweden AB. Midsummer is a Swedish solar energy company that installs discrete solar roofs that we manufacture in Järfälla with 90% lower carbon footprint than traditional solar panels. We have a high-tech, Swedish product and own the entire value chain from development and production to installation. These companies are making waves in the industry, offering some seriously cool tech to keep your RV powered up on those epic road trips. Renogy Renogy is a name that's been popping up everywhere in. At RV Brands™, we've explored the latest and greatest in RV solar technology, and in this comprehensive guide, we unveil the top 15 RV brands with built-in solar power systems for 2026 that can turn this dream into your everyday reality. From lightweight travel trailers perfect for weekend warriors. Svea Solar is a prominent solar energy company in Europe, dedicated to providing renewable energy solutions and has completed over 20,000 solar installations.
