

**PIENAAR ENERGY (PTY) LTD**

# **Swiss battery energy storage system supplier**

## Overview

---

As a Swiss Engineering, Procurement and Construction (EPC) specialist, we implement customised, modular battery storage solutions that increase your energy efficiency and reduce costs. Flexible, scalable and sustainable – all from a single source and close to you. Our customised battery storage. Leclanché SA is a leading manufacturer of advanced energy storage solutions, particularly in lithium-ion technology. The companies inaugurated the newly expanded project last week in a ceremony last week (24 May), which adds 8MW. Large battery storage systems are like large power banks for the grid: they can balance out fluctuations between generation and consumption, trade energy on the control energy market and contribute to voltage maintenance. They therefore make a decisive contribution to grid stability.
