

PIENAAR ENERGY (PTY) LTD

The largest battery energy storage company in Niger

Overview

Battery storage developer and operator SemperPower has taken over operations on a 62.6MWh BESS provided by Rolls-Royce in the Netherlands, the largest in the country, it claimed. Despite a significant drop in growth rate in 2024, Niger continued to heavily rely on battery energy storage imports, with China, France, Nigeria, Germany, and the United States being the top exporters. The high Herfindahl-Hirschman Index (HHI) indicates a concentrated market, potentially leading Sterling and Wilson to build solar and storage plant in Niger.) Sterling and Wilson (SWPL), India's leading engineering, procurement and construction (EPC) company, has announced that its Hybrid & Energy Storage division (HES), in consortium partnership with French. The country is an oil resource centre and it is one of the ten-largest uranium resource-holders in the world. Interest in energy storage in the Middle East is "ramping up significantly", as we reported last week in an extract from this interview with IHS Markit analyst Julian Jansen. Sterling and Wilson Pvt Ltd (SWPL).
