

**PIENAAR ENERGY (PTY) LTD**

**Warranty for off-grid solar  
cabinet-based products in steel  
plants extra-large capacity**

## Overview

---

AIB Off Grid provides the following limited warranties for products and services purchased. AIB Off Grid warrants that our products will be free from defects in materials and workmanship under normal use and service. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. Since 2006, Solar Insure has helped solar installers overcome industry challenges with our unmatched solar and storage warranty solutions paired with our 5-star customer service. Our warranties provide peace of mind, enhance customer trust, boost satisfaction, and create new revenue opportunities. For batteries and inverters, look for at least 10 years—and make sure warranty terms (like cycle limits and pro-rata conditions) are clearly explained. We strongly advise our customers to thoroughly review the terms and.
